

STANTON PARISH COUNCIL – ACTION PLAN – Jun 24 to Apr 25

Stanton Parish Council constantly strives to work on behalf of parishioners on issues that matter to its residents, communities, stakeholders and local businesses and will seek to improve and maintain facilities to the best of its ability within its budget.

The Council will publish an action plan at the beginning of each councillor year. The plan will include project expenditure for the forthcoming year and will include any matters raised by members of the public during the Annual Parish Meeting. The plan will be formally reviewed by Council quarterly and will add any matters as and when they arise throughout the year.
