## **Minutes of the Meeting of Stanton Parish Council held on 13 July 2023 at Stanton Village Hall.**

### **25. . Roll Call & Apologies**

Present were Councillors:

Brian Brown, Dee Burdett, John Frizzell, Charlie Harvey-Evers, Barry McDonald, Jim Thorndyke (**Chair**) and Suffolk County Councillor Joanna Spicer

Apologies for absence were received from Councillor Vic Dorling.

The meeting noted that Councillors Lorraine Frost and Phil Smith were absent.

### **26. Minutes**

The minutes of the meeting held on 15 June 2023 were confirmed as a correct record and were signed by the Chair.

### **27. Public Forum**

4 members of the public were present.

Two residents, who were Volunteer Directors of Upthorpe Management Ltd, informed the Parish Council that the two play areas on the Mill View estate were in a poor state. The play areas and surrounding fencing had not been maintained adequately since they were built. Although the residents of the estate paid an annual fee for the upkeep of the estate, the play areas were used by children and families who lived elsewhere in the parish. The Parish Council were asked if they would, in principle, agree to a donation towards the repair of the play areas and fencing. The Council agreed that a request for a donation could be considered but that a comprehensive plan of action for the work (both immediate and long-term), together with costings and any other sources of funding, would need to be presented to the Parish Council before this could be considered.

A resident raised a concern that the 'Quiet Lane' sign positioned on Bury Lane, seemed to indicate that it was suitable for cars as it contained pictures of a car, motorcycle, horse & rider and pedestrians. However, this road was not suitable for cars and the sign could encourage drivers to use it causing a potential hazard to pedestrians. It was confirmed that the signs were generic, but Councillor Harvey-Evers agreed to liaise with Suffolk County Councillor Spicer to review this issue.

A resident also raised a concern about lack of signage for the new pedestrian crossing opposite the new Co-operative store when travelling east along Hepworth Road. Suffolk County Councillor Spicer confirmed that a team from Highways would be conducting a Safety Audit just before the new store was due to open.

The Scale of Fees and Charges had last been updated in 2020 and a comparison was made of the fees for Stanton and other surrounding towns and parishes. This was presented to councillors, and it was proposed that a 10% increase be implemented.

**It was agreed that a replacement firing system be purchased using the Parish Council debit card.**

- h. **Activation of payment authorisation process as advised following audit** – Councillor Harvey-Evers reported that the council should move to an online payment authorisation process in order to comply with recommendations from the last two audit reports.

**It was agreed that there should be a minimum of 3 councillors who would be able to authorise online payments. Payments should be created by the RFO and then authorised by 2 councillors.**

- i. **Hedge cutting** – Councillor Thorndyke reported that the hedge along Bury Lane and Sturgeons Way was overgrown. As there were other areas that needed work, it was decided to make a list before arranging for a contractor to carry out the work.
