### **134. Address from Chairman of West Suffolk Council**

DCllr Roger Dicker (Chairman of West Suffolk Council) was attending Parish Council meetings in order to strengthen relationships with Parish Councils within West Suffolk.

Cllr Smith raised his concern that rural areas did not get value for money as more appears to be spent in towns than in rural areas, for example for street cleaning and play areas. DCllrs Dicker and Thorndyke agreed that they would like to see more money going to rural areas.

DCllr Dicker stated that any parish councillor could attend any Full Council meetings at West Suffolk and would have the opportunity to speak during the Public Participation Speaking section provided they register in advance.

#### **d. Village Green Lease and Fencing**

Cllr Harvey-Evers presented 4 quotes recently received for fencing the Village Green. However, he suggested that due to the ongoing building taking place on another part of the site, that only 70% of the fence should be installed immediately, with the rest being installed when the building work had been completed.

The Cemetery Rules were not clear regarding who the grave digger should be and he proposed that this was clarified to show that the council's preferred grave digger should always be used by funeral directors. This would agree with the Notice of Interment.

**The Clerk is to clarify the Rules to this effect.**

**h. Grass Cutting Contract**

Areas 6, 8 and 10 on the current grass cutting contract were all verges along the A143 and therefore the responsibility of SCC Highways – these would be removed from the new contract. The Village Green had been added to the contract.
